Girl	Hi and welcome to Skills Summary!	Vlogger set up
Guy	Skills summary is an easy way to capture the life skills you have and talk about them in a way that looks great to a potential employer	Vlogger set up  Shows a clip of the website
Girl	Life skills are people skills and personal qualities that make you a great team member - and you have loads of them! Even if you don't know it yet!	Text: OPEN MINDED, TAKES ON NEW IDEAS, COPEs WITH UNCERTAINTY, STAY POSITIVE pops up and disappears from the screen
Guy	You pick them up at home, at your youth club, playing sports and in loads of other places too	Vlogger talking to the camera
Girl	Being able to talk about them well is a great way to get your CV to the top of the pile or to nail a job interview.	Set up shot of guy with a shirt and glasses on (like an employer) reading through CV's in the form of Skills Summary PDFs and looking impressed
Guy	Skills summary helps you identify	Vlogger talking to the

	these strengths	camera
Girl	and write about them	Vlogger behind a laptop talking to the camera
Guy	or talk about them!	Opportunity to see shot in an interview with presenter directly addressing camera
Guy	You can use it on the device you're watching this video on!	Vlogger pretending to knock on the camera screen
		Vlogger scrolling through <a href="http://skillssummary.ie">skillssummary.ie</a> on his phone  Leadership skills page showing on the screen of the phone
Guy	Just go to <a href="http://skillssummary.ie">skillssummary.ie</a> and make an account	Close in of the URL being typed in a browser
Girl	There, you can learn about a range of life skills and watch videos about them	Vlogger scrolling through the website on her tablet
Guy	When you find skills that sound like you, you can take a short online course to help you understand and harness these skills - and come up with great examples of when you used them	Vlogger set-up intercut with some videos of the website

Girl	You can even ask people to endorse you	Shot of an endorsement request
	And you can download your skills summary or email it to yourself so you have everything in one place	Vlogger set-up intercut with some close-up videos of site in use (download, emailing, etc.)
Guy	Try it out for yourself! Go to <a href="http://skillssummary.ie">skillssummary.ie</a> and find out more.	Vlogger set-up
